

How to set-up an automatic payment

Making regular payments into your **myKindo** account means you will always have funds available when you need them, whether it's for a faster transaction process at the checkout, or to pay for bigger ticket items like School Camp.

SETTING UP AN AUTOMATIC PAYMENT

Having an automatic payment set up into your **myKindo** account is easy.

1. Log in to your **myKindo** account and select **myKindo wallet**.

2. Under the online Bank Transfer section are all the details you will need to set up an Automatic Payment with your bank.

Important. Your 6-digit reference number must be present to enable us to top up your account.

Please allow up to 2 working days for funds to show in your wallet.
You will receive a topup receipt when funds are received.

You will not be able to complete any purchases until your wallet has sufficient funds to make the purchase. If you would like the purchase to be automatically placed on receipt of funds, please follow instructions from the checkout and select "Bank Transfer (at your bank)".

ⓘ **You must include your unique Customer number** (your payment reference number) so we can ensure the funds are transferred into the correct account, the customer number can also be located on the my details page of you account.

Even though funds are taken instantly from your account it can take time for them to reach us.

Please allow up to 2 working days.

3. Login into your personal bank and set up the automatic payment, as you would for any other automatic payment.

You will receive a myKindo top up receipt each time the funds are received.
